

SOLAR
SPRINGBREAK

**SOLARIZE
YOUR BREAK!**

Come soak up some rays on your winter or spring break while learning to install solar and bringing **clean, renewable power** to families in need!

“Solar Spring Break gave me the opportunity to step out of my comfort zone and work with others for a common cause...It’s been the best spring break I have ever had.”

-Chad Kibbe, student, North Carolina State University

“I was especially impressed that Solar Spring Break gave our students the chance to put their scientific studies into a larger social context.”

-Rachel Shulman, Academic Coordinator, MIT

Solar Spring Break is available at all GRID regional offices. Visit our website for details.
