

Sponsorships are now available for Interconnection 2018, scheduled for October 11 at The City Club of San Francisco!

This unique annual fundraising event brings together policymakers, industry leaders, renewable energy thought leaders and supporters of GRID Alternatives for celebration, networking and engagement with GRID's work. The event includes a Sponsors' Reception and sit-down dinner, with tables reserved for your guests. Join the fun and show your commitment to a successful clean energy transition that includes everyone. Reserve your sponsorship today!
