Lone Pine – The National Park Service will be holding a 12-month fellowship working for the National Park Service’s Construction Fellow, a participant hired as a SolarCorps member. The program will include participating in phase one training and earn a skills development opportunity year in solar electric systems. Those who progress through phase two will complete the installation of solar electric systems in California through the Los Angeles Unified School District and the San Bernardino and Inyo counties, the Metropolitan Park District of Southern California, local cities, virtually every major off-road vehicle group, the California Wilderness Coalition and the Pro- Chaff Spit Chinese, local chambers of commerce, and the Lone Pine-Palomino Center Reservation.

COOK
Fork of the San Joaquin River
Fire activity moderated in recent days as the fire reached previously burned areas, including the 2017 Battery Fire footprint to the west, and the 1992 Rainbow Fire footprint to the east. Thursday’s fire behavior focused on the southwestern side of the fire, north of the Middle Fork of the San Joaquin River.
